ORDER

JESSICA G. L. CLARKE, United States District Judge:

The parties are notified that the case management conference currently scheduled for May 22, 2025 is ADJORNED. The parties have filed a proposed fourth amended case management plan (in light of Plaintiff's amended complaint, and the need for further expert discovery) which will extend the deadline for the parties to complete discovery. ECF No. 147. The Court has reviewed the proposed case management plan, and will enter it after the new defendants in this action have been served and filed an answer to the amended complaint (or after the deadline to file such an answer has passed). The Court will schedule a post-discovery case management conference at that time.

SO ORDERED.
